Celebrate fall with a fun and relaxed evening at the Starry Night Pumpkin Paint Party with ReMARKable Paint Party by Susan Anspach. You'll create an 11 x 14 pre-traced canvas featuring a glowing autumn pumpkin and golden sunflowers beneath a dramatic, Van Gogh-inspired starry sky. Come ready to unwind, get creative, and leave with a colorful fall painting you'll be proud to display. Class begins promptly at 6:00 pm, so plan to arrive a little early to get settled in.
